

Cuyahoga County Sheriff's Department Newsletter

MESSAGE FROM THE SHERIFF

Cliff Pinkney
Cuyahoga County Sheriff

Welcome, Summer! I hope everyone is enjoying the sunshine and warm weather.

I would like to briefly introduce my new Special Assistant, Brian Sallee. You will learn more about him in the feature below; however, I wanted to express my confidence that Mr. Sallee will be an invaluable asset to the CCSD.

The CCSD Law Enforcement and Corrections divisions are proud to announce several more promotions in leadership. Congratulations to Eric Ivey who was promoted to Warden in May. Warden Ivey is a 27 year Sheriff's Department veteran and is highly respected by management, his peers, subordinates, and the inmate population. Congratulations to Steven Bartczak, Pdraig Devlin, Joseph Greiner, and James Mackey on their recent promotions to Deputy Sheriff Sergeants, and to Scott Conklin, Ryan Gulliford, Donald Hill, and Clement Robinson, who were promoted to Protective Services Sergeants. I also want to recognize Sergeant James Mackey, as he recently graduated from Indiana Wesleyan University with a Master's Degree in Public Administration.

The Ohio Attorney General, in partnership with the

CCSD, Cuyahoga County Prosecutor's Office, and Department of Homeland Security announced the creation of a new Ohio Organized Crime Investigations Commission Task Force at a press conference on May 26th. The task force will focus on investigating cases of human trafficking throughout Cuyahoga County.

On June 2nd, I attended the graduation/tasting for the Euclid Comprehensive Program Center's (CPC) Culinary Arts Program. The CPC, in conjunction with EDWINS Leadership and Restaurant Institute, hosts a Basic Culinary Arts Program for offenders sentenced to the County Jail. The program is designed to teach offenders basic culinary skills to prepare them for further education or employment in the hospitality industry. Individuals graduating from the Culinary Arts Program will also qualify to continue their culinary training and working in the field with EDWINS Leadership and Restaurant Institute or be placed directly into employment. This program is one example of many we utilize for successful re-entry.

As always, keep up the good work and stay safe this Fourth of July.

BRIAN SALLEE, SPECIAL ASSISTANT

Brian Sallee started working at the Sheriff's Department on April 24th as a Special Assistant/Legal Counsel to the Sheriff. Prior to working at the Sheriff's Department, Brian was a Special Agent for the federal government and assigned to an Organized Crime/Money Laundering task force at the United States Secret Service. During his tenure at the task force, Brian was a major part of a multitude of investigations involving several types of criminal activity. During this time, he was involved in hundreds of arrests and seizures in excess of \$20,000,000. Brian was utilized as an expert witness in money laundering and bank secrecy act investigations. Also, Brian received several accom-

modations from the US Attorney's Office and was recognized by the Cleveland City Council for "getting rid of a significant amount of criminal activity." Prior to his work the federal government, Brian was a patrol officer in Lakewood, Ohio. Brian has also operated a legal practice, taught criminal justice courses at Notre Dame College and was on faculty at Case Western Reserve for a Master's Program relating to financial integrity.

During his personal time, Brian enjoys spending time with his family, working out, reading and following sports. This past winter, he coached the 8th grade girls

Strongsville Middle School basketball team who were undefeated champions of their conference. He is looking forward to his opportunity to work at the Sheriff's Department and hopes he can help make the operations successful.

HARVEST FOR HUNGER 2017

We did it! The 2017 Harvest for Hunger campaign was a complete success. The County raised \$46,502.63 and donated 1,890 pounds of food to area families in need. The Sheriff's Department contributed \$2,352.37 to this total, which equated to 9,409 meals, all while having a great time and enjoying events together. To raise money, the Department hosted a Bake Sale, Chili Cook-off (2017 Winners - Deputy Sheriffs), Ice Cream Social as well as a Hot Dog and Chips Sale.

In total, 600 organizations and individuals contributed to raise over 21 million meals campaign wide. However, a special thanks goes out to all those who volunteered their time in the Sheriff's Department for such a worthy cause. This group included current staff, retirees, and even children. Our volunteers and participants embody the "Together We Thrive" message!

CCSD EMPLOYEE OF THE QUARTER

Jacquelyne White has been with the Cuyahoga County Sheriff's Department for approximately 28½ years. She works within the Civil Division as an Administrative Assistant 2. Her job consists of supervising bargaining and non-bargaining employees within the writs department, and working alongside 3 civil deputies in the division. The department provides service to the public, courts, judges, and attorneys, along with providing assistance to individuals that are out of our county and state. Jacquelyne has had the pleasure of working alongside an Olympic gold medalist (Paul Drayton) and has had encounters with other sports icons while working in the Civil Division. She enjoys spending her spare time with her family and grandchildren. She also enjoys spending time with her church family. Her hobbies include grilling, camping, and working in her yard. She hopes to travel and plan a cruise upon retirement. Jacquelyne's favorite scripture is Philippians 4:13 "I can do all things through Christ who strengthens me."
