- Conveys prohibited items into the visitation area.
- Has a past history of disruptive behavior.
- Violating video visitation rules.

The visitation schedule may be changed and/or altered on observed holidays or for safety/security reasons.

Please be advised, if an inmate is participating in any program or assigned to a working detail, they will not be available for a visit, at that time. Please be aware of their schedules and schedule your visit accordingly.

Please read the following video visitation rules completely. Not knowing the rules will not be accepted as an excuse for not following them. Violating video visitation rules may result in expulsion from visiting and/or the pursuance of criminal charges if applicable.

- There shall be no displays of nudity, pornography, sexual acts, sexual poses, violence, drug use, gang signs, weapons, general gang activity or any other illegal activity during a video visit.
